

K-Love SERVES my family and whole community. The effect on us if K-Love were to be displaced by an LPFM broadcaster would be so negative. It is wonderful for my children and myself to listen to a program that plays encouraging music that has such a POSITIVE impact. Please don't allow an LPFM station to take priority over K-Love. K-Love is NEEDED by many, especially in the society we live in now. We ENJOY the family-friendly Christian program of K-Love.
